

MORNING DROP OFF

- Walk your child into the school grounds via Dulkara or Veron Road (parking your vehicle outside the school grounds).
- **Drive Thru drop off.** All children dropped to school by car must use the drop off bay in front of the hall. All parents **must stay inside the car** and children should alight from the passenger side (nearest the hall). Parents must never get out of their car to organize their children or get bags out of the boot as this action stops the flow of traffic. Once your child has left the car, please drive away slowly (10 kmh).
- **Never park in the bus bay area outside the Office or in the staff carparks.**
