

## **SCHOLASTIC BOOK CLUB**

The school participates in the Scholastic Book Club. Each month children are shown a sample collection of books which they may order IF YOU WISH.

The back of the catalogue has an order form which can be processed on line or returned in an envelope via the class teacher, with the completed form and the right money in an envelope clearly marked "Book Club". The closing date for orders is placed on the school's website calendar.

The books will be distributed when they arrive a few weeks later to the child's classroom.
