

PARENT EDUCATION PROGRAM

Positive Behaviours for Learning (PBL) workshop

Take a look at the development and implementation of Positive Behaviours for Learning (PBL) in your school.

The PBL framework helps schools create a positive learning environment through proactive whole school systems that define, teach and support appropriate student behaviour and maximise learning for all.

We will look at how PBL can be supported in the home with similar strategies for achieving important social and emotional learning to develop positive behaviours.

This is a FREE workshop

Brought to you by the
Parent Education Team,
Catholic Schools Office.
