

## Going to 'Big' School!

Next year, I am starting Kindergarten at St John the Baptist, Woy Woy. I am happy to start school, to learn new things and meet new friends.

Every morning at home, I pack my school bag. I get dressed in my school uniform and wear it proudly.

When I get to school, I go to my classroom. I hang my bag on the hook with my name. I put my hat on and play in the playground.

**8:50am** The bell rings. It's time to stop playing.

I go to **the Cola**. I line up with my class.

My teacher will be there to greet me.

After morning announcements, I walk to class with my teacher. We go inside to learn and have a fruit break.

I listen to my teacher, so I can learn. I do my best to let others learn. If I have something to say, I put my hand up to speak.

Learning will be fun!

**11:00am** The bell rings. It's first break.

I get my food from my bag and eat it in the classroom with my classmates. There will be lots to choose from in my lunch box. I can have some food now and save some for second break.

**11:10am** The bell rings. I put my hat on and go outside to play.

The playground is fun. There are lots of people and it's loud outside, but that's OK, it's just the sound of kids having fun!

My teacher helps me decide where to play.

**11:40am** The bell rings. It's the end of playtime. I go to the toilet and get a drink of water. I go to my classroom and wait in my class lines, quietly.

I wait for my class teacher. It's learning time again.

**1:40pm** The bell rings. It's second break.

I get my food from my bag and eat it in the classroom with my classmates. I can eat what I choose from my lunchbox.

**1:50pm** The bell rings. I put my hat on and go outside to play.

I am kind to my friends and play fairly. When I am kind and fair, my friends are happy, my teacher is happy and I am happy. I can have fun in the playground.

**2:20pm** The bell rings. It's the end of playtime.

I go to the toilet and get a drink of water. I go to my classroom and wait in my class lines, quietly.

I wait for my class teacher. It's learning time again.

**3:00pm** I check my bag to see how I'm going home.

I listen to my teacher to line up in the correct spot for pick up.

It's time to go home. I love big school!!
