

## SCHOOL UNIFORM & APPEARANCE POLICY

Enrolment at St. John the Baptist Catholic Primary School necessitates the consistent wearing of the prescribed uniform, below, and the observance of the school's appearance standards.

When the weather warms or cools, parental discretion should be used as to whether their child wears winter or summer uniform. *There is not a specific date to change from one uniform to the other; however, whichever uniform is worn it must be the full and correct uniform, not a mix of summer and winter uniform.*

At St. John the Baptist, we hold our school and the students we nurture in high regard. Therefore, we emphasize the significance of personal grooming, based on the understanding that a person's presentation does not just reflect that person, but also the organisation to which they belong, i.e. the school.

At SJB, students are required to meet the following grooming and appearance standards:

1. Hair:

- Maintain a neat and tidy hairstyle that does not obscure the face.
- If your hair is longer than your collar, it should be securely tied back, preferably in a bun or plaits to prevent nits.
- Only natural hair colours are allowed; artificial or chemical colours, streaks, or foils are not permitted.
- Hair accessories should be in the school's blue to match the uniform colour.

2. Nails:

- No nail polish or fake/acrylic nails are allowed.

3. Makeup and Eyelashes:

- Makeup in any form, as well as fake eyelashes, are not permitted.

4. Tattoos:

- Tattoos are not allowed.

5. Jewellery:

- Limited to small, plain stud earrings (silver or gold), a religious medal worn around the neck, and a small watch.
- Rings, bracelets/bangles, pendants, and smartwatches are not allowed.
