

# Our Commitment to Health & Safety

At Catholic Schools Broken Bay, our Vision is centred around delivering authentic, professional Catholic education with care and compassion.

Within our System of 45 schools, this Vision is supported by our dedication to prioritising the health, safety, and well-being of our students, families, staff, and visitors who enter our schools.

Our commitment is to create a safe place to work and learn by implementing best practice and striving for continuous improvement in Health and Safety.

Danny Casey - Director of Schools

## We demonstrate this by

Providing a safe place for learning and working where everyone's wellbeing is supported.

Maintaining appropriate incident / injury reporting systems for staff, students, contractors, visitors and volunteers.

Consulting openly with our students and members of the school community.

Living out our policies, procedures and relevant laws.

Providing appropriate training, coaching and supervision.

## Our Guiding Principles are ...

- ▶ We take care of our safety and that of others.
- ▶ We work together to prevent injuries or illness.
- ▶ We prioritize working and learning safely, keeping it at the forefront of our minds.
- ▶ We are proactive in identifying and fully managing risks.
- ▶ We provide the necessary resources, training, information, instruction, and supervision for all students and staff.
