“Everyday I am blown away by our team of passionate teachers and staff. How much they care for the students, how well they know the students and how much they care for their emotional wellbeing, as well as their learning.”

It gives me great pleasure to welcome you to St John the Baptist Catholic Primary School in Woy Woy, a school that values its past and is confident of its future. Our thriving school community was established in 1922, and it continues to grow every year. Ensuring the needs of all students in our community are met, not just academically, but socially, emotionally and spiritually.

Making the right decision about the education of your child is one of the most important decisions of your life. As a parent, and grandparent I truly understand this.

Our school is blessed with highly skilled, dedicated and conscientious teachers, who fill our school with their vibrant energy each and every day.

Parents and students of SJB Woy Woy love our modern classrooms, great range of IT in every classroom, vast green play areas, flexible learning spaces, extensive library, onsite chapel, Greek and Music Rooms. We also offer convenience to growing and working families, with an onsite ELC, OSHC and Vacation Care run by CatholicCare.

SJB prides itself on fostering a love of learning, with respect, kindness and inclusivity at the heart of all we do. Our values of compassion, fairness, honesty, co-operation and responsibility shine through our students.

We look forward to walking alongside your family in your child's primary school journey.
